

# In the meantime / u were loved

Song intro ( a song for all the people , friends and family we lost during these trying times !!!

## Verse1

This gone be the last I can see u

So from my heart to yours just know that u were loved

Sad ... it hurts inside that I could never greet u again

So from my heart to yours just know that u were loved

## Hook

U were loved ... u were loved ....

Know that u were loved , ( 2x )

## Verse2

This gone be the last time I can touch you

So from my heart to yours just know that you were loved

Ohhhh it hurts inside that I'll never get to tell u I love you again

So from my heart to yours just know that you were loved

## Hook

U were loved ... u were loved ....

Know that u were loved , ( 2x )

## Verse3

This gone be the last time I can kiss u

So from my heart to yours just know that you were loved

Just know that it hurts so bad cuz I know that I'll miss u

So from my heart to yours just know that you were loved

## Hook

U were loved ... u were loved ....

Know that u were loved , ( 2x )
